This will be an online only auction with bidding through Hibid. Bidding will end in numerical order with 2 items ending every minute. If there is bidding activity in the last 2 minutes, the end time will be extended 2 minutes until there is no further bidding. Extending the end time for an item does not change the end time of the following item, so there may be several lots ending simultaneously. Use the "Maximum Bid" feature so you don't miss out!
