Purchaser releases the auctioneer from any claims, actions or causes of action arising from or due to any defect in the Property existing on the date of this sale.

13. **RADON DISCLOSURE.** Radon is a radioactive gas produced naturally in the ground by the normal decay of uranium and radium. Uranium and radium are widely distributed in trace amounts in the earth's crust. Descendants of Radon gas are called Radon daughters, or Radon progeny. Several Radon daughters emit alpha radiation, which has high energy but short range. Studies indicate the result of extended exposure to high levels of Radon gas/Radon daughters is an increased risk of lung cancer. Radon gas originates in soil and rocks, it diffuses, as does any gas, and flows along the path of least resistance to the surface of the ground, and then to the atmosphere. Being a gas, Radon can also move into any air space, such as basements, crawl spaces and permeate throughout the home. If a house has a Radon problem, it can usually be cured by increased ventilation and/or preventing Radon entry. The Environmental Protection Agency advises corrective action if the annual average exposure to Radon daughters exceeds 0.02 working levels. Further information can be secured from the Department of Environmental Resources Radon Project Office, Call 1-800-23RADON or (215) 369-3590, Purchaser acknowledges that Purchaser has the right to have the buildings inspected to determine if Radon gas and/or daughters are present, Purchaser waives this right and agrees to accept the Property AS IS, with no certification from Seller. Purchaser releases, quit-claims, and forever discharges Seller, its shareholders, directors and officers, their heirs and assigns, from any and all claims, losses, or demands, including personal injuries, and all of the consequences thereof, whether now known or not, which may arise from the presence of Radon in any building on the Property. Seller has no knowledge concerning the presence or absence of Radon.

14. **RIGHT TO REJECT BIDS.** The Seller reserves the right to reject any or all bids. Seller reserves the right to withdraw the Property from sale, and/or to adjourn the sale to a future date or dates.

15. **ASSIGNMENT.** Purchaser may not assign these Conditions of Sale, in whole or in part, without first obtaining the written approval of Seller.

16. **INTENT.** This Agreement represents the whole Agreement between the parties, and any representations concerning the Property, or otherwise, made prior to the execution of the Purchaser Agreement, are hereby superseded by this Agreement.

17. AMENDMENT. No modification of these Conditions of Sale shall be valid unless made in writing, executed with the same degree of formality as these Conditions of Sale and the Purchaser's Agreement attached hereto.

18. EFFECT OF WAIVER OR CONSENT. A consent or waiver by Seller, express or implied, to or of any breach or default by Purchaser in the performance of these Conditions of Sale is not a consent or waiver to or of any other breach or default. Failure on the part of Seller to complain of any act of Purchaser or to declare Purchaser in default of these Conditions of Sale, irrespective of how long that failure continues, does not constitute a waiver by Seller of Seller's rights with respect to that default until the applicable statute-of-limitations period has run.

19. SEVERABILITY. If any provision of these Conditions of Sale or the application thereof to any person, entity or circumstance is held invalid or unenforceable to any extent, the remainder of these Conditions of Sale and the application of that provision to other persons, entities or circumstances are not affected thereby. In such event, the invalid or unenforceable provision will be enforced to the greatest extent permitted by law.

20. PERSONAL PROPERTY. The Property may contain personal property of Seller. Items of personal property are not part of the Property pursuant to these Conditions of Sale. Unless otherwise specifically provided, Seller may remove any and all items of personal property from the Property prior to Settlement. All personal property remaining on the Property at Settlement shall become the personal property of Purchaser.

21. LEASES. The Property is not subject to any existing verbal or written leases.
