REAL ESTATE ONLINE AUCTION TERMS AND CONDITIONS
623 FULTON STREET, JEFFERSONVILLE, IN

This property is offered under specific terms and conditions per the printed auction bid packet and is included and adapted in a legally binding purchase agreement. If you have not read and reviewed the auction bid packet or do not completely accept the terms and conditions - do not bid.

BIDDING ONLINE - Proper and complete registration is required. All bidders must provide name, address, phone number, email address and credit card information to register. A credit card will be validated before bidding access is granted, but is not a recognized form of payment of the deposit or purchase price. By registering, all bidders acknowledge having read and agree to be bound by the Auction Terms and Conditions.

While online bidding is very popular, not everyone is entirely comfortable with the process. The Harritt Group staff is always available to assist any bidder who has questions. If you need assistance placing a bid online or prefer to submit a bid in person, please call our office for assistance @ 812-944-0217.

BUYER'S PREMIUM - A 10% buyer's premium will be added to the hammer bid price to determine the final purchase price. Example: Hammer Bid Price \$100,000 plus a 10% buyer's premium equals a contract purchase price of \$110,000.

MANNER OF PAYMENT - A 10% *non-refundable down payment* in the form of cash, check or wired funds are due within 24 hours following the auction with the signing of a legally binding purchase agreement. Arrangements will be made to meet with the successful bidder to execute the documents or the documents can be emailed to the successful bidder and returned by email or fax to the Harritt Group within 24 hours of the auction.

CLOSING All auctions are a cash sale and the balance of the purchase price will be due in 40 calendar days. If the buyer chooses to obtain financing for the balance of the purchase price, completion of this transaction is *not* based upon the condition of successfully obtaining financing nor is it subject to a satisfactory appraisal, survey or inspections of any kind. All closing costs and wiring fees are the buyer's expenses.

INSPECTION - Property is being sold "*As Is*" with no contingencies and no warranties expressed or implied. All inspections are welcomed *prior to auction* at the buyer's expense. The buyer relies upon the condition of the property based upon their own examination and has not relied upon any statement or representation by the auctioneer or staff as to the nature or condition of the property. All measurements per courthouse.

FLOOD DESIGNATION - Buyer may not terminate the agreement if the property requires flood insurance or that is subject to building or use limitations by reason of the location, which materially interferes with the buyer's intended use of the property. The buyer shall pay for and be responsible for flood certification if needed.

EVIDENCE OF TITLE - Seller will provide merchantable title via a deed. Cost of title evidence, as desired by the buyer, to be a buyer's expense. Owner's title insurance is always strongly recommended, and that without said insurance, the buyer may have no future objections to the title, or potential losses. Buyer is accepting title subject to (1) Any recorded or unrecorded building restrictions, restrictive covenants, conditions or other use restrictions applicable to the property and (2) Any recorded, unrecorded, or visible easements for public or private use including road, utilities or others, upon which existing improvements do not encroach of which there are no violations.

SURVEY - Property is being sold without a survey. All land measurements are per courthouse records.

REAL ESTATE TAXES AND ASSESSMENTS - All taxes that have accrued for any prior calendar year that remain unpaid shall be paid by the seller either to the County Treasurer and/or the buyer in the form of a credit at closing. All taxes that have accrued for the current calendar year shall be prorated on a calendar-year basis as of the day immediately prior to the closing date. *The buyer also acknowledges the seller's tax exemptions and/or credits may not be reflected on future tax bills.* The buyer may apply for current-year exemptions/credits at or after closing if applicable.

POSSESSION - Seller will give possession at closing.

AUCTION END TIME - Harritt Group Online Auctions are timed events and all bidding will close at a specified time. Harritt Group Online Auctions also have an auto-extend feature. Any bid placed in the final minutes of an auction will cause the auction ending to be automatically extended from the time the bid was placed. Example: If an auction scheduled to close at 6 PM receives a bid at 5:59 PM, and the extended bidding time for that auction is 10 minutes, the close time will automatically extend to 6:09 PM. The auto-extend feature remains active until no further bids are received within the specified time frame.

MAXIMUM BID Internet bidders who desire to make certain their bids are acknowledged should use the maximum bidding feature and place their maximum bid in ample time before the close of the auction. However, in the event two identical maximum bids for the same amount are placed, it is the first one received which will be given preference. The online bidder, therefore, is responsible for monitoring their bid to the close of the auction. Harritt Group will bear no liability/responsibility in case of a bidder error. Bidding platform records of Auction Mobility and the Harritt Group will be deemed conclusive in all respects and will be final.

MALFUNCTION AND LOSS OF SERVICE The results of the auction may be rendered void if a malfunction or temporary loss of service occurs. In such an event, Harritt Group reserves the right to remedy the situation in whichever way best represents the seller, including the cancellation of existing bids. Harritt Group shall not be held liable in any way for any malfunctions or loss of service. Bidder acknowledges and understands that this service may or may not function correctly at the close of the auction. Under no circumstances shall Bidder have any kind of claim against Harritt Group or anyone else if the internet service fails to work correctly during the close of the auction. Harritt Group will not be responsible for any missed bids from any source.

SOLD WITH SELLER'S RESERVE - Final bid price is subject to the seller's confirmation. When the bidding has met the reserve, a notification will be posted and the auction will become absolute and sell to the highest bidder.

PRE-AUCTION SALES Pre-auction offers must meet all auction terms and be submitted to the Auctioneer on the Real Estate Purchase Agreement along with the required deposit. Properly submitted offers will be presented to the seller, who may accept or reject such offer in their sole and absolute discretion.

AGENCY The Harritt Group is acting exclusively as agents for the seller.

LEAD WARNING STATEMENT

Every buyer of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.
