

The Alloway Antique Telephone Collection

Online Telephone Collection Auction

Ends Sunday, September 11th, 2022

Freeland Auction Services has been entrusted to bring to market the very nice Antique telephone collection of Mr. and Mrs. Dale Alloway of Akron, Ohio. Dale was a member of The Antique Telephone Collectors Association and enjoyed coming to conventions in the 1980s through the 2010. Dale was an avid collector, and very particular in his restoration process where he spent countless hours rewiring telephones to work on today's system. It is our pleasure to help find new homes for all these telephones that Mr. Alloway took so much pride in owning.
