competition for a date with the likes of the Prowler in his first appearance; the beautiful Black Widow seen for the first time in her sultry new spy gear; an underworld family in-fight between the Kingpin and the Schemer including Vanessa Fisk's entree into Marveldom; and the Chameleon, Electro and the Kangaroo, a poor assemblage that's always a bridesmaid and never a bride. It's not just the most colorful array of villains in comics, of course! There's melodrama aplenty in the fashion that could only befit poor Peter Parker. See how Mr. Luckless himself handles not only the loss of his powers and glowing Gwen's fear of Spidey, but how he wiggles his way out of revealing his identity right before Gwen, MJ, and the gang's very eyes! Hardcover, 240 pages, full color. NM condition.

Written by STAN LEE and ARCHIE GOODWIN. Art by JOHN BUSCEMA, JOHN ROMITA, SR., and JACK KIRBY. Cover by JOHN BUSCEMA. Introduction by Jon B. Cooke. The World's Greatest Comic Magazine marches forward with a new great artist, Big John Buscema, and the same great man - Stan "The Man" Lee - in A fresh set of epic adventures as only mighty Marvel can make 'em! It all begins when Johnny Storm's ladylove, Crystal, must leave the polluted human world for the Inhumans' sanctuary, but within her lies the secret solution to freeing the Thing from his rocky prison. Then, as Benjamin Grimm emerges with the power to change into the Thing at will, Reed Richards must descend into the dark of the Negative Zone to face entropic Annihilus and the mysterious Janus, the Nega-Man. But what good is controlling your powers, when you're losing control of your mind? The Thing goes on a rampage and New York City better look out because it can only end in the biggest, the baddest, the best fist-pounding, building-toppling, earth-shaking slobberknocker in Marvel history! The ever-lovin', blue-eyed Thing goes toe-to-toe with the gamma-powered goliath, the Incredible Hulk, and only one will walk out alive. That's not all, though! Before the FF collect themselves, the all-powerful Over-Mind descends on the planet Earth - and you know it ain't gonna be good for real-estate values when the Watcher shows up, too. It's a menace so great that even the evil Doctor Doom joins forces with the FF. 272 pages, full color. NM-/NM condition.

Written by STAN LEE. Art by JOHN ROMITA and GIL KANE. Cover by GIL KANE. Introduction by Stan Lee. Prepare yourself for a collection of no-holds-barred Spider-Man classics that defined comicdom's favorite super hero unlike any other! Starting off with the return of one of Spidey's oldest foes, Doctor Octopus, the two archenemies set into motion a

LOT #

gut-wrenching series of events leading to the death of Captain George Stacy. Ally to Spider-Man and father to Peter Parker's ladylove, Gwen, Captain Stacy's death marks Spidey for murder and pits the entire city against him. Now with hero, villain and even the man-on-the-street after him, there's no moment for rest for the ol' web-slinger as he wriggles his way through threats from the X-Men's Iceman to the politicking Sam Bullit and former friend the Prowler. And it all leads into one of the landmark moments of Marvel history, the Comics Code defying "drug" issues. There's no question Stan Lee's Marvel Comics strove for a relevance that the competition could only dream of - and with AMAZING SPIDER-MAN #96-98, that mission was placed front and center: Peter Parker's best friend, Harry Osborn, was revealed to be a drug addict. Letting a battle with Spidey's nemesis, the Green Goblin, take a back seat to the personal drama that scourged the real-life streets of the reader's world, the Lee/Kane/Romita team set a new standard for the mainstream's relevance. Stan Lee pens some of his greatest scripts, chock full of edge-of-your-seat drama and up-to-the-moment politics, while the incomparable artistic team-up of John Romita and Gil Kane launches into the most lavishly illustrated and panel-bursting artwork to ever grace the pages of a Marvel comic. There's no denying it, True Believer, these are Masterworks one and all! Hardcover, 256 pages, full color. NM-/NM condition.
