## OUR POLICY, TERMS & CONDITIONS

1. Throughout the inventory process, we have attempted to assure accuracy in the description and representations. Due to printing deadlines, the owner of the firearm, and not a Johnson Auctioneers, LLC staff member, may have provided some descriptions. **We cannot and do not guarantee any authenticity of any item.** Therefore, all items are sold **“as is, where is”** with the bidder having the sole responsibility as to determining the value, condition, age and authenticity of all items in this auction. No statement in the catalog or by persons associated with the auction firm shall be deemed to be a warranty in any fashion with respect to age and authenticity. Any and all statements and written matters are only opinions, and not to be interpreted as warranty. Verbal statements made day of auction take precedence over all written material.
2. **Absentee bids** NO Absentee Bids permitted on Firearms
3. The buyer assumes 100% responsibility of articles at the time of purchase. All risk of damage or loss is borne by the purchaser at the time the auctioneer says, “Sold.”
4. All purchases are to be paid for the day of the auction by cash, check, Visa, MasterCard, Discover and American Express. Personal checks accepted only from established customers. If a buyer is in doubt as to whether a personal check will be accepted, they should bring a cashier’s check or money order. Credit Cards are also accepted with an additional 5% convenience fee.
5. The auction will be audio tape-recorded. The auctioneer reserves the right to videotape any and all activity in and during the auction. Purchasers will have their photos taken at registration & checkout.
6. Bidders should read Terms and Conditions of Auction, stated on their bidding cards and/or posted at Registration, as it has further terms and conditions of the auction.
7. The Auctioneer shall have the privilege to combine lots or offer multiple lots in a “choice fashion.” In a “choice fashion,” the high bidder can take choice of the lots offered, either one or multiple choices, times the high bid.
8. Bidders should read and familiarize themselves with ATF form 4473, available at registration. Bidders must have a valid Government issued ID to purchase firearms.
9. Johnson Auctioneers are full time auctioneers licensed in Ohio, Kentucky, and Indiana with over 80 years of combined faithful service. We conduct our auctions with integrity, and we expect our auction attendees to conduct themselves in a respectful manner and with integrity.

Johnson Auctioneers are always ready to assist you with your collection. If you have an entire estate or one item, please contact us for a no cost consultation. We are now booking choice dates this year and would be happy to secure a date for you.

For safety, we have tied firearm triggers, hammers or actions so they cannot be fired. Firearms were in working condition, unless noted in catalog and at the time of securing the firing mechanism.
