This is a notice to let you know that we have opened a new website for the state of North Carolina. This site is owned by Joe Joyner and operated under North Carolina license # 8572 and is titled AuctionsByJoe.com

I have a new online auction that is currently listed in Camden County with over 700 items. You can reach this new site at AuctionsByJoe.com. Click the online tab and it will take you to the online auction.

You will also have the opportunity to register your current email address so that you will receive any other auction I will have in that State on the main page of the site. We can not transfer your email over from the Progressive Auction Co. site. You do not want to miss this auction.
