AUCTIONER'S NOTE: In order to help settle the estate of Rhett Acker, Lisa has made the tough decision to sell the machinery they had and take her next step in life for her and her daughter Leah. The neighborhood lost a good one when the good Lord called Rhett home at such a young age and we feel honored to market the equipment for his family. Rhett and Lisa took pride in their hay operation and the equipment shows that way. Please respect the sellers privacy and if you'd like to view the machinery please come to the preview on March 31, 2-4pm or set up an appointment with Steve Andrews 330-465-8498 or Seth Andrews 330-466-5471.
