

Lot #

- 1 Lot 1: Traffic Light**
Light up your life with this functional realistic novelty item! Plug it in & the 3 standard color 8" diameter lights illuminate, flash, etc. , Overall dimensions: 31" tall x 11" wide x 10.5" deep in a sturdy plastic case! , A perfect conversation starter for your garage, game room, man cave or she-shed!
- 2 Lot 2: Pennzoil Lubrication Outfit**
No imitation, here! The real deal with the brand logo-correct paint that is chipped & faded from years of use in a working garage. With a bit of TLC you can bring it back to life & work for you or clean it up (but, just a little) & add some color to your favorite hang out.
- 3 Lot 3: 6 Corvette Wheel Covers**
Apparently authentic & in generally good condition. Not all perfectly matching -- yet, sporting the world-renowned racing checkered flags logo. Probably won't find this many this nice in the hubcap yard down the road.
- 4 Lot 4: 1966 Austin Healey Bugeye Sprite**
VIN HAN8L60097 1966 Austin Healey Bugeye Sprite, The definition of "Cute." The current owner says that the previous owner described this little beauty as a "blended car." In a recent conversation, he stated that the car started its life as a 1959 Austin Healey Bugeye Sprite and was rebuilt with 1966 Sprite parts. The CLEAR TITLE shows 1966 Sprite. The vehicle number HAN8L60097 matches the data plate under the hood. , Mileage showing on the odometer indicates 102,850. The title lists 2,784 & calls out "Non actual warning: Odometer Discrepancy.", The following notes are from the owner's record dated 18 NOV 10., FEATURES & MODIFICATIONS (as described by previous owner); 1. 1965 - 1966 MKIII chassis, 2. 1/4 elliptical rear springs, 3. One piece front fender 1958-61, 4. SU electric fuel pump from MKIII, 5. No external trunk access 1958-61, 6. Downdraft Weber carburetor, 7. Lockheed disc brakes from 1966 car, 8. Includes a black convertible top plus frame, 9. Initially a 948cc car, now an 1275cc car due to engine change from an Austin Healey MKIV Engine: 12C/DAH2296 indicating a 1275cc 1967-1969 (H = high compression) Engine serial number: 2296, 4 Speed Transmission: "DA" is a close-ratio center change gearbox, Fun to drive. Starts easily, runs smoothly, drives & stops appropriately., NO RESERVE (SELLS TO THE HIGHEST BIDDER)!!
- 5 Lot 5: 1968 Dodge D100 Sweptside Pickup**
VIN 1187069238 1968 Dodge D100 Sweptside Pickup, You will have to go a very LONG way to find a truck of this vintage & original condition. It really is as good as it looks in the pictures! The 318 CID V-8 engine starts easily & runs smoothly. This beauty drives, rides & stops like it was in the showroom just a short time ago; yet, sports some additional running lights, etc. The title shows 18416 miles as of 7/25/19 & the odometer indicates actual mileage of ONLY 19,708! Bright paint, clean interior & nearly 100% original. Seems very VERY solid!, From Hemmings: Dodge's stylized D100 Sweptline helped usher in an era of car-like trucks. For 1968, Dodge installed more V-8 engines than six-cylinders in light trucks, as buyers rallied around haulers and demanded the spirited performance they were accustomed to in cars. The 1968 model trucks received a new grille that fully surrounded the headlamps and the round front marker lamps were gone -- replaced by vertical, rectangular lamps. We offer this rare find with a modest \$15,000 Reserve.
- 6 Lot 6: Pickup Truck Cap**
Spent the last several years on lot # 05. Seems to be in generally good condition.
- 7 Lot 7: HFC Banner 36"x 66"**
HFC Pro Series Atlantic Challenge vinyl banner. Great wall or ceiling hanger for your garage, game room or

Lot #

- 8 Lot 8: 1969 Plymouth Barracuda Formula S**
VIN BH29P9B152327 1969 Plymouth Barracuda Formula S., Seller notes: A California car in earlier life. We bought it sight unseen and had it shipped to Ohio. I recently talked to the prior owner. He verified that it is a numbers matching vehicle and I have visual documentation. He verified that everything is pretty much original -- except the rear end was initially a 323 sure grip that was changed to a 391 sure grip. Also, the transmission is not original. Title indicates mileage at 114,000. Odometer shows 11,476., NO RESERVE (SELLS TO THE HIGHEST BIDDER)!!
- 9 Lot 9: Air Compressor**
NEARLY BRAND NEW Farmhand brand, cast iron: Model VT633500AJ. 60 gallon, 7 HP, 135 max PSI.
- 10 Lot 10: 1968 Dodge Charger R/T**
VIN XS29L8B374496 1968 Dodge Charger R/T, Truly special & Swwwwweet classic 60s era muscle car! The 440 CID engine & new 4 barrel carburetor combination generates 385 great sounding Horse Power. Then, the 727 Torqueflite Transmission with the 8 3/4 Sure Grip Rear End 323 transfers all that power to smooth acceleration & outstanding top end performance., Recent maintenance includes: The matching number engine assembly was cautiously removed, detail level cleaned & painted with the proper turquoise enamel. Then, the engine & compartment were prepped and finely refinished prior to installation. The entire undercarriage was refurbished. This entailed scraping off all old undercoating and replacing it with new high quality coating., A complete tune up included: new points, cap, rotor, coil, spark plugs and wires (installed in correct looms). We installed a stainless steel fuel tank & straps, sending unit, fuel pump, sending unit & filter and completed an oil change with new oil and air filters., The matching number transmission had a fresh rebuild and retains the original (rebuild) torque converter. The new exhaust system was manufactured to factory specifications and includes all correct brackets and hangers and features new stainless steel exhaust tips., Suspension: all new joints & bushings including new upper control arms, shock absorbers, leaf springs, shackles and torsion bars. Steering work included new tie rod ends and alignment., Brakes were refurbished: new master cylinder, booster, stainless steel & rubber lines & brake shoes with new hardware. Drums were resurfaced, blasted and refinished. All wheel cylinders, wheel bearings and seals are new. Emergency Brake cables are stainless steel., All floors were cleaned and refinished & there is new carpet and front seat upholstery., Exterior shows well with only one previous refinish in the correct AZ paint code. Odometer shows 29,306 miles., Title indicates 28,377 "Exceeds Mechanical Limits." Total miles driven since the substantial restorative work is estimated at 200., All this pretty automotive precision & power is offered with a modest \$70,000 Reserve.
- 11 Lot 11: 1966 Dodge Charger**
VIN XP29361152970 1966 Dodge Charger, Be sure to consider this VERY nice (nearly 100% original) example of the FIRST YEAR for Chargers! The undeniable design of this rare classic alerts you to a solid body & a good interior. Then, it wakes you up with strong & efficient performance from the 318 CID Poly engine (polyspherical combustion chamber). , Kept inside & well maintained (including the extraordinary interior) by the current owner in a fully operational condition for head-turning rides. ONLY 72,215 Actual miles. Don't let this one slip away from you! Offered with a modest \$15,000 Reserve.
