- 3) Buyer specifically waves the right to dispute or deny payment for any purchases made with a credit card.
- 4) No items will be removed until they have been paid for. Purchaser is responsible for removal of all purchased goods.
- 5) All items must be picked up in the allotted time following the auction unless arrangements were made with the auction company prior to bidding. If items are not removed by this time they will be forfeited and/or sold for storage. This does not apply if the buyer chooses to have the items shipped.

Loading & Removal: RO & Assoc does not lend, lease, or borrow any equipment, nor deliver sold goods. Buyer is responsible for their own removal of all items. Please bring any packing material and boxes that you may need. Please bring assistance to move heavy items to your vehicle and any tools for dismantling. Persons removing goods assume all risks of damage or loss to person and property and specifically release and indemnify the Auction Company from liability therefore. Neither the Auction Company nor his principal or seller shall be liable by reason of any defect in or condition of the premises in which the sale is held.

Delinquent Accounts: The bidder that has not paid for, or has not removed their items from the auction site, will be subject to the cost of storage, trucking, re-sale, deficiency balances, collection fees, and any legal fees for recouping a loss due to the bidder's negligence.

Reserves: Any and all items that RO & Assoc agrees to sell are subject to a reserve as per Illinois State Auction Law.

Requiring a credit card to register ensures that you are not bidding against people who have no intention of purchasing the items. We are fully PCI complaint and have monthly security scans through our provider, First Data, and our auction software company as well. Our software company provides the back-end to more auction companies than any other provider. We are also licensed with the State of Illinois Department of Business and
