**INFORMATION REGARDING THE REAL ESTATE SELLER DISCLOSURE LAW**

3 Generally speaking, the Real Estate Seller Disclosure Law (68 P.S. §7301 et seq.) requires that before an agreement of sale is signed, the  
4 seller in a residential real estate transfer must make certain disclosures regarding the property to potential buyers in a form defined by the  
5 law. A residential real estate transfer is defined as a sale, exchange, installment sales contract, lease with an option to buy, grant or other  
6 transfer of an interest in real property where **NOT LESS THAN ONE AND NOT MORE THAN FOUR RESIDENTIAL DWELLING**  
7 **UNITS** are involved. The Law defines a number of exceptions where the disclosures do not have to be made:

- 8 1. Transfers that are the result of a court order.
- 9 2. Transfers to a mortgage lender that result from a buyer's default and subsequent foreclosure sales that result from default.
- 10 3. Transfers from a co-owner to one or more other co-owners.
- 11 4. Transfers made to a spouse or direct descendant.
- 12 5. Transfers between spouses that result from divorce, legal separation, or property settlement.
- 13 6. Transfers by a corporation, partnership or other association to its shareholders, partners or other equity owners as part of a plan of  
14 liquidation.
- 15 7. Transfer of a property to be demolished or converted to non-residential use.
- 16 8. Transfer of unimproved real property.
- 17 9. Transfers by a fiduciary during the administration of a decedent estate, guardianship, conservatorship or trust.
- 18 10. Transfers of new construction that has never been occupied when:
  - 19 a. The buyer has received a one-year warranty covering the construction;
  - 20 b. The building has been inspected for compliance with the applicable building code or, if none, a nationally recognized model  
21 building code; and
  - 22 c. A certificate of occupancy or a certificate of code compliance has been issued for the dwelling.

23 In addition to these exceptions, disclosures for condominiums and cooperatives are limited to the seller's particular unit(s). Disclosures  
24 regarding common areas or facilities are not required, as those elements are already addressed in the laws that govern the resale of condo-  
25 minium and cooperative interests.

26 While the Law requires certain disclosures, this statement includes disclosures beyond the basic requirements of the Law in an effort to  
27 assist sellers in complying with seller disclosure requirements and to assist buyers in evaluating the property being considered. Sellers who  
28 wish to see or use the basic disclosure form can find the form on the Web site of the Pennsylvania State Real Estate Commission.

29 This Statement discloses Seller's knowledge of the condition of the property as of the date signed by Seller and **is not a substitute for**  
30 **any inspections or warranties** that Buyer may wish to obtain. This Statement is not a warranty of any kind by Seller or a warranty or rep-  
31 resentation by any listing real estate broker, any selling real estate broker, or their licensees. Buyer is encouraged to address concerns about  
32 the condition of the property that may not be included in this Statement. This Statement does not relieve Seller of the obligation to disclose  
33 a **material defect** that may not be addressed on this form.

34 A **material defect** is a problem with a residential real property or any portion of it that would have a significant adverse impact on the  
35 value of the property or that involves an unreasonable risk to people on the property. The fact that a structural element, system or subsystem  
36 is at or beyond the end of the normal useful life of such a structural element, system or subsystem is not by itself a material defect.

37 **Check yes, no, unknown (unk) or not applicable (N/A) for each question.** Be sure to check N/A when a question does not apply to  
38 the property. Check unknown when the question does apply to the property but you are not sure of the answer.

**Note to Buyer:** The PA Construction Code Act, 35 P.S. §7210 et seq. (effective 2004), and local codes establish standards for building and altering properties. Buyers should check with the municipality to determine if permits and/or approvals were necessary for disclosed work and if so, whether they were obtained. Where required permits were not obtained, the municipality might require the current owner to upgrade or remove changed made by the prior owners. Buyers can have the property inspected by an expert in codes compliance to determine if issues exist. Expanded title insurance policies may be available for Buyers to cover the risk of work done to the property by previous owners without a permit or approval.

**Note to Buyer:** According to the PA Stormwater Management Act, each municipality must enact a Storm Water Management Plan for drainage control and flood reduction. The municipality where the property is located may impose restrictions on impervious or semi-pervious surfaces added to the property. Buyers should contact the local office charged with overseeing the Stormwater Management Plan to determine if the prior addition of impervious or semi-pervious areas, such as walkways, decks, and swimming pools, might affect your ability to make future changes.
