SELLER INFORMATION

Seller(s) Name(s): Virginia Chlebowski, James E. Chlebowski, POA

Property Address (Mailing Address and Municipality of Property) (hereinafter referred to as the "Property"): 909 Reservoir St, Mount Pleasant, PA 15666

Approximate age of Property: _____ Years Seller has owned Property: 46

NOTICE TO PARTIES

A Seller must comply with the Seller Disclosure Law and disclose to a Buyer all known material defects about the Property being sold that are not readily observable. This document must be completed by the Seller and each page initialed by the Buyer and Seller following their review. This Disclosure Statement is designed to assist the Seller in complying with disclosure requirements and to assist the Buyer in evaluating the Property being considered.

The Real Estate Seller Disclosure Law requires that before an Agreement of Sale is signed, the Seller in a residential real estate transfer must make certain disclosures regarding the property to potential buyers in a form defined by the law. 68. P.S. §7301 et seq. The law defines a residential real estate transfer as a sale, exchange, installment sales contract, lease with an option to buy, grant, or other transfer of an interest in real property where NOT LESS THAN ONE AND NOT MORE THAN FOUR RESIDENTIAL DWELLING UNITS are involved. The law defines a number of exceptions where the disclosures do not have to be made, and these exceptions are as follows:

- 1. Transfers that are the result of a court order.
2. Transfers to a mortgage lender that result from a buyer's default and subsequent foreclosure sales that result from default.
3. Transfers from a co-owner to one or more other co-owners.
4. Transfers made to a spouse or direct descendant.
5. Transfers between spouses that result from divorce, legal separation, or property settlement.
6. Transfers by a corporation, partnership, or other association to its shareholders, partners, or other equity owners as part of a plan of liquidation.
7. Transfer of a property to be demolished or converted to non-residential use.
8. Transfer of unimproved real property.
9. Transfers by a fiduciary during the administration of a decedent estate, guardianship, conservatorship, or trust.
10. Transfers of new construction that has never been occupied when:
a. The buyer has a warranty of at least one year covering the construction;
b. The building has been inspected for compliance with the applicable building code or, if none, a nationally recognized model building code; and
c. A certificate of occupancy or a certificate of code compliance has been issued for the dwelling.

Except where these exceptions apply, the Seller is required to satisfy the requirements of the Real Estate Seller Disclosure Law as they may be amended and is required to make disclosures in accordance with the provisions of the Law. Although there are exceptions to the requirements of the Seller Disclosure Law, certain disclosures may still be required under Common Law.

In addition to these exceptions, disclosures for condominiums and cooperatives are limited to the seller's particular unit(s). Disclosures regarding common areas or facilities are not required, as those elements are already addressed in the laws that govern the resale of condominium and cooperative interests.

This Statement discloses Seller's knowledge of the condition of the Property as of the date signed by the Seller and is not a substitute for any inspections or warranties that the Buyer may wish to obtain. This Statement is not a warranty of any kind by the Seller or a warranty or representation by the West Penn Multi-List, Inc., any listing real estate broker, any selling real estate broker, or their agents. The Buyer is encouraged to address concerns about any condition of the Property that may not be included in this statement with the Seller and/or by and through an appropriate inspection. This Statement does not relieve the Seller of the obligation to disclose a material defect that may not be addressed on this form.

This form is intended to assist Sellers in complying with the disclosure requirements and/or to assist Buyers in evaluating the property being considered. As such, certain information may be beyond the basic disclosure requirements found in the Law. A Seller who wishes to review the basic disclosure form can find the form on the website of the Pennsylvania State Real Estate Commission. In any event, Seller(s) must disclose all known material defects with the property.

If an item of information is unknown or not available to Seller and Seller has made an effort to ascertain it, Seller may make a disclosure based on the best information available provided it is identified as a disclosure based on an incomplete factual basis.

A material defect is an issue/problem with the residential real Property or any portion of it that would have a significant adverse impact on the value of the residential real Property or that INVOLVES AN UNREASONABLE RISK TO PEOPLE ON THE LAND OR PROPERTY. The fact that a structural element, system, or subsystem is near, at, or beyond the normal useful life of such structural element, system, or subsystem is not by itself a material defect. When completing this form, check "yes," "no," "unknown (unk)," or "not applicable (N/A)" for each question. If a question does not apply to the property, "N/A" should be selected. "Unknown (unk)" should only be checked when the question does apply to the property but the Seller is uncertain of the answer.

21. COMPLIANCE WITH REAL ESTATE SELLER DISCLOSURE LAW

In Pennsylvania, a Seller is required to satisfy the requirements of the Real Estate Seller Disclosure Law. These requirements are generally described in the notice found on the first page of this document. This law requires the Seller in a residential transfer of real estate to make certain disclosures regarding the property to potential Buyers. The notice is to be provided in a form defined by law and is required before an agreement of sale is signed. The law defines a residential real estate transfer as a sale, exchange, installment sales contract, lease with an option to buy, grant, or other transfer of an interest in real property where not less than one (1) and not more than four (4) residential dwelling units are involved. In transactions involving a condominium, homeowners association, or cooperative, the disclosure is to specifically refer to the Seller's Unit. Disclosure regarding common areas or facilities within such associations are not specifically required in this Disclosure Statement. However, compliance with the requirements that govern the resale of condominium, homeowner association, and cooperative interests is required as defined by the Uniform Condominium Act of Pennsylvania, the Uniform Planned Community Act of Pennsylvania, and/or the Real Estate Cooperative Act as such Act may be amended.

Seller(s) shall attach additional sheets to this Disclosure Statement if additional space is required for their answer to any section herein and these sheets are considered part of this Disclosure Statement. The undersigned Seller(s) represents that the information set forth in this Disclosure Statement is accurate and complete to the best of the Seller's knowledge.
