RE: Dye Test, 7 Indian Lane, Perry Township,
Fayette County, PA. 15482

On November 29, 2023, an inspection and dye test was conducted on an existing sewage disposal system on the property situated at the above address.

NO DYE WAS VISABLE.

You passed the dye test:

- This inspection in no way verifies the size or type of the existing system.
- This inspection in no way determines that the system will continue to operate properly in the future.
- Extended vacancy could also affect the results of a dye test
- Vegetation, man made or natural obstacles may provide a detriment in the interpretation of the test results

Respectfully submitted,

Stanley Glumac
