## *Introducing* **Stall Grid**

**Stall Grid** is a rubber, dig free flooring solution for horses. The flooring comes in 2'x 2' squares to make it feasible for so many different applications. The configuration and strength of the grid has been specially developed for horses hooves.

The flooring is shock-absorbing for minimal strain on the animals' joints.

### **Benefits:**

- Prevents horses from digging
- Prevents soil compaction
- Superior drainage
- Save on bedding cost
- Weather and UV resistant
- Use regular bedding on top
- Eliminates odors

### **Applications:**

- Stalls
- Paddocks
- Indoor/Outdoor arenas
- Round pens
- Around waterers
- Horse walkers
- Many other suitable applications
