Tommy Hedges Estate PB Sale

These glasses were Tommy's collection collected over many years. Some of the glasses are very rare to the point of being only a precious few in existence. Please review the listing carefully. This is a sale that only comes once in a great while. Every effort has been made to ensure the list accuracy but that doesn't mean it is without error. The vast majority of these glasses are in *excellent to* pristine condition.

All glasses have a \$5 minimum except for juice and tea which will have a \$10 minimum.
All glasses not meeting the minimum will be returned to the estate.

Yellow background color and red letter color used to alert bidder of hard to find glasses.
Blue background denotes the rarest of glasses and may have a RESERVE.
Grayson-Carpenter reference book use as book identifier
