ABSOLUTE AUCTION – All items will be sold to the highest bidder regardless of price. This is an online only auction.

A 13% buyer's premium will be added to the high bids to determine the final selling price. Virginia sales tax will be added to the final selling price unless a tax-exempt certificate is provided to The Counts Realty & Auction Group. All purchases must be paid in full on sale day. Payment must be made by a valid credit/debit card only. The card used to register for the sale will be charged immediately after the close of the auction for any items in which you were the high bidder. Chargebacks are prohibited. All items will be sold **ABSOLUTE** – sold to the highest bidder regardless of price.

Inspection: All items are being sold AS-IS, WHERE IS with all FAULTS with no representations or warranties of any sort. While the information provided is deemed to be reliable, they are not guaranteed and do not constitute a warranty, either expressed or implied. All bidders are responsible for doing their own due diligence to determine if they should bid and/or purchase any items.

Registration: All bidders must register to bid online by registering at countsauktion.com. Bidders may execute bids either at countsauktion.com or by downloading the Counts Realty & Auction Group app. The items are sold in "AS – IS" condition and are not contingent on the conditions of the items. Bidders shall rely on their own information, judgement, and inspection of the items.

Bidder Verification: The identity of all bidders will be verified. Bidding rights are provisional, and if complete verification is not possible, The Counts Realty & Auction Group may reject the registration and bidding rights may be terminated.

Extended Bidding Time: The auction is scheduled to begin on the "Starting Date and Time" and tentatively end on the "Scheduled Closing Date and Time" that are listed in the information package. Three lots per minute will close starting at the "Scheduled Closing Date and Time". There will be Extended Bidding Time available on all lots. Should a bid be received within 1 minute of the scheduled closing time of a block of lots (3 lots) on any of the 3 lots, the bidding on those three lots will be extended for an additional 1 minute. This will continue until such time as there are no bids for 1 minute on any of the lots within that block. At that time, all 3 lots within the block will close and the sale will be final for all 3 lots in the block. This method will continue for all lots until the sale is concluded.
