## 1953 Porsche "Pre-A" 356

**Engine:** 1500 Normal  
4 Cylinder  
**Fuel:** Gasoline  
**Mileage:** 19,189  
**Exterior Color:** Silver Gray  
**Interior:** Browns, Corduroy  
**Transmission:** Manual  
**Chassis #:** 50815  
**Engine #:** P31621

### *Rare Find!*

**This is a numbers matching car: Engine P31621; Chassis 50815; Pushrod 546; Case Casting 4185; Trans 1648, see trunk plate; Inside Door Plate reads Reutter, Karosserie, NR 50815; Solex Carbs K-100060; BJ – 5606D12P, Side #73.**

Tires are one-year old. Brakes have a new master cylinder. The wheels have a new wheel cylinder. Most all of the brake lines have been replaced. Brakes have not been adjusted since the new cylinders have been installed. The floor panels are in good condition. Battery box is in good condition. Engine compartment is clean as well as the front trunk. One pin hole can be seen near the trunk drain hole. Wiring is worn. Horn works intermittently. Roll bar is a bolt-on and can be removed. Seller notes that the roll bar was installed for safety reasons and not for racing. Seats have been reupholstered in marine grade vinyl but retain the original seat construction (coil springs and horse hair). The doors are in brown corduroy and the carpet is brown. Blaupunkt radio with clear glass.

Carbs were recently rebuilt and installed. Adjustments were not made on them. Split case engine runs well with no smoke. Shocks are original. Paint fracture can be seen on the roof of the front passenger side. Left rear fender shows crinkles. Wheels are 165/80R15 and are as new (zero miles). Painted German hub caps.

Documentation includes workshop manuals and Spare parts list as well as spare parts. Accompanying letter from VW Porsche, Germany, dated 8/21/1970 shows that it was shipped to Hoffman Brothers in New York City for distribution in 1953. This car has been locally owned since 1970 and has not been road driven in 30+ years but has been maintained.

See video link in listing.
