SELLER'S PROPERTY DISCLOSURE STATEMENT SPD
This form recommended and approved for, but not restricted to use by, the members of the Pennsylvania Association of RHALTORSO (PAR).
This form recommended and exproved for, but not restricted to the by, the masses of the state of
2 SELLER Gary Martin
The Real Estate Seller Disclosure Law (68 P.S. §7301 et seq.) requires that a seller of a property must disclose to a buyer at known material defects about the property being sold that are not readily observable. While the Law requires certain disclosures, this statement includes disclosures beyond the basic requirements of the Law in an effort to assist sellers in complying with seller disclosure form
and find the form on the Web site of the Comsylvatia mate and Latter Comments
This Statement discloses Seller's knowledge of the condition of the property as of the date signed by Seller and is not a substi- tute for any inspections or warranties that Buyer may wish to obtain. This Statement is not a warranty of any kind by Seller or a warranty or representation by any listing real estate broker, any selling real estate broker, or their licensees. Buyer is encouraged to warranty or representation by any listing real estate broker, any selling real estate broker, or their licensees. Buyer is encouraged to address concerns about the conditions of the property that may not be included in this Statement. This Statement does not relieve Seller of the obligation to disclose a material defect that may not be addressed on this form. Any non-exempt seller is obligated to complete the disclosure form even if the seller does not occupy or has never occupied the property. For a list of exempt sellers, see Information Regarding the Real Estate Seller's Property Disclosure Law found on the last page of this decument.
see Information Regarding the Real Estate Sener's Property Discosor Daniel Town of it that would have a significant adverse impact on A Material Defect is a problem with a residential real property or any portion of it that would have a significant adverse impact on the value of the property or that involves an unreasonable risk to people on the property. The fact that a structural element, system or subsystem is not by itself a mate-subsystem is at or beyond the end of the normal useful life of such a structural element, system or subsystem is not by itself a mate-
rial defect. 19 Check yes, no, unknown (unk) or not applicable (N/A) for each question. Be sure to check N/A when a question does not apply 20 to the property. Check unknown when the question does apply to the property but you are not sure of the answer.
Yes No Unk N/A

4. Are you aware of any existing, past or proposed mining, strip-mining, or any other excavations that might affect this property? Note to Buyer: The property may be subject to mine subsidence damage. Maps of

the counties and mines where mine subsidence damage may occur and mine subsidence insurance are available through: Department of Environmental Protection, Mine Subsidence Insurance Fund, 25 Technology Drive, California Technology Park, Coal Center, PA 15423 (800) 922-1678 (within Pennsylvania) or (724) 769-1100

(outside Pennsylvania).

Preferential Assessment and Development Rights Is the property, or a portion of it, preferentially assessed for tax purposes, or subject to limited development rights under the: Farmland and Forest Land Assessment Act - 72 P.S. §5490.1 et seq. (Clean and Green Program)

Open Space Act - 16 P.S. §11941 et seq.

3. Agricultural Area Security Law - 3 P.S. §901 et seq. (Development Rights)

Note to Buyer: Pennsylvania has enacted the Right to Farm Act (3 P.S. § 951-957) in an effort to limit the circumstances under which agricultural operations may be subject to nuisance suits or ordinances. Buyers are encouraged to investigate whether any agricultural operations covered by the Act operate in the vicinity of the property.

Are you aware of the transfer, sale and/or lease of any of the following property rights (by you Property Rights or a previous owner of the property):

1. Timber

2. Coal

3. Oii

Other minerals or rights (such as farming rights, hunting rights, quarrying rights) Explain:

Note to Buyer: Before entering into an agreement of sale, Buyer can investigate the status of these rights by, among other means, engaging legal counsel, obtaining a title examination of unlimited years and searching the official records in the county Office of the Recorder of Deeds, and elsewhere. Buyer is also advised to investigate the terms of any existing leases, as Buyer may be subject to terms of those leases.

Explain any "yes" answers in section 17:

18. FLOODING, DRAINAGE AND BOUNDARIES

(A) Flooding/Drainage

1. Is any part of this property located in a wetlands area?

Is the property, or any part of if, designated a Special Flood Hazard Area (SFHA)?

3. Do you maintain flood insurance on this property?

4. Are you aware of any past or present drainage or flooding problems affecting the property?

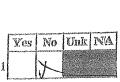

Are you aware of any drainage or flooding mitigation on the property?

Are you aware of the presence on the property of any man made feature that temporarily or permanently conveys or manages storm water, including any basin, pond, ditch, drain, swale, culvert, pipe or other feature?

7. If "yes", are you responsible for maintaining or repairing that feature which conveys or manages storm water for the property?

any man-made storm water management features:

Unk NA

No

(B) Boundaries

1. Are you aware of any encroachments, boundary line disputes, or easements affecting the

Note to Buyer: Most properties have easements running across them for utility services and other reasons. In many cases, the easements do not restrict the ordinary use of the property, and Seller may not be readily aware of them. Buyers may wish to determine the existence of easements and restrictions by examining the property and ordering an Abstract of Title or searching the records in the Office of the Recorder of Deeds for the county before entering into an agreement of sale.
