- 1. **SELLER**: This sale is held on behalf of STEPHEN B. COOPER and CARYL ANN COOPER, husband and wife, 38 Barneston Road, Honey Brook, PA 19344 (herein the "Seller") the present owner of the Premises as hereinafter set forth.
- 2. **PREMISES**: The property to be sold (herein the "Premises") is commonly known as 38 Barneston Road, Honey Brook, West Nantmeal Township, Chester County, Pennsylvania, and is more particularly described in the legal description marked Exhibit "A" attached hereto, made a part hereof, and incorporated herein by reference.
- 3. The highest bidder (herein the "Purchaser") shall immediately thereafter execute and deliver to Seller, Purchaser's Agreement attached to these Conditions of Sale, and shall pay down the sum of Fifty Thousand (\$50,000.00) Dollars toward the Purchase Price as security for the performance of the terms and conditions of these Conditions of Sale and Purchaser's Agreement. Purchaser acknowledges that the down payment shall be paid to Seller, and shall not be held in escrow. Checks for the down payment will be deposited the next business day. Post-dated or undated checks shall be conclusively deemed to be dated on the date of this sale. Purchaser further acknowledges that the Premises is not being sold subject to the ability of Purchaser to obtain any financing for the purchase thereof.
- 4. **REBIDDING**: If any dispute arises among bidders, the Premises shall immediately be put up for renewal bidding by the auctioneer.
- 5. <u>TITLE</u>: The balance of the purchase money shall be paid at settlement, as hereinafter set forth, upon which payment Seller shall convey to Purchaser, by special warranty deed prepared at Purchaser's expense, good and marketable fee simple title to the Premises insurable without exception at regular rates by a title insurance company of Buyer's choice licensed to do business in the Commonwealth of Pennsylvania, free and clear of liens and encumbrances except as noted in these conditions, but subject to existing wall rights, easements, building or use restrictions, zoning or land subdivision regulations, encroachments of cornices, trim, and spouting over property boundaries, or encroachments of any kind within the legal width of public highways, and subject to all easements, encumbrances, or encroachments which would be apparent upon reasonable physical inspection of the Premises. This Paragraph 5 only sets forth the quality of title to be conveyed by Seller to Purchaser. Nothing herein shall be construed as obligating Seller to provide any title search, or title insurance, at Seller's expense. The costs of any title search and title insurance desired by Purchaser shall be the sole responsibility of Purchaser, as set forth in Paragraph 7 hereof.

If Seller is unable to convey title of the quality set forth above on or before the Settlement Date, (as hereinafter defined) Seller shall have the option to extend the Settlement Date for an additional thirty (30) days, or for such longer period as Seller and Purchaser may agree to in writing (the "Title Extension Period"), during which period Seller may seek to cure such title matters. If Seller declines to extend the Settlement Date or is unable to cure the title matters during any Title Extension Period, Purchaser may elect either to (1) take such title as Seller can give or (2) terminate this Agreement. If Purchaser elects to terminate this Agreement as

provided above, Seller will return to Purchaser all payments made to Seller on account of the Purchase Price and reimburse Purchaser for all costs for searching title, appraisals, inspections, and preparation of the deed, mortgage, and other settlement papers. This Agreement and all obligations hereunder will terminate upon Seller's return and payment of the above amounts.

6. <u>SETTLEMENT</u>: Settlement shall be held at the Law Offices of Kling & Deibler, LLP, 131 West Main Street, New Holland, Pennsylvania 17557, or at such other place as Purchaser may elect in Lancaster or Chester County on August 21, 2020 (herein "Settlement Date"), or before if Purchaser and Seller mutually agree, which time shall be of the essence of this Agreement. Possession of the Premises shall be given to Purchaser at settlement. Formal tender of deed and purchase money are waived.

On or before the tenth (10th) day following the Public Sale Date, Purchaser shall engage the services of an attorney and/or title company to prepare all documents to be executed at Settlement and to conduct Settlement.

- 7. <u>COSTS</u>: The costs related to this public sale, and the settlement on the Premises, shall be paid as follows:
 - (a) Purchaser shall provide and pay:
 - (i) All required state and local realty transfer taxes.
 - (ii) Any survey, if desired or required by Purchaser, other than a survey required to provide Seller with an adequate legal description.
 - (iii) Any and all disbursement fees, escrow fees, service fees, or similar fees or costs, purported to be charged against Seller by any title company or attorney holding settlement for the Premises, unless expressly contracted for in writing by Seller.
 - (iv) The cost of any title search at regular rates, title insurance, certification of title, examination of title, and title company or settlement services.
 - (v) Preparation of other documents, including, but not limited to, deed, mortgage, and bill of sale for personal property, if any, and all fees incurred at settlement, including attorney fees, tax certification fees, disbursement fees, recording fees, or settlement fees, whether purported to be billed against Purchaser or Seller, unless expressly contracted for in writing by Seller.
 - (b) Seller shall provide or pay for:
 - (i) Acknowledgements to deed.
 - (ii) Water and sewer rent, if any, through the earlier of the Settlement Date, or the date of prior delivery of possession to Purchaser.
 - (iii) A legally adequate description and preparing, obtaining, and/or recording releases or other documents or surveys reasonably required in order to make Seller's title to the

Premises insurable at regular rates by a title insurance company of Seller's choice licensed to business in the Commonwealth of Pennsylvania.

- (c) Real estate taxes upon the Premises shall be apportioned on a fiscal basis to the earlier of the Settlement Date, or the date of prior delivery of possession to Purchaser. However, if the Premises is subject to any preferential assessment via the Pennsylvania Clean and Green Act or otherwise and Purchaser does not continue such preferential assessment program at settlement or thereafter, Purchaser will be solely responsible for any roll-back taxes, interest, penalties, or other charges that accrue as a result of such discontinuance, regardless of the reason for the same.
- 8. <u>REJECTION OF BIDS</u>: Seller reserves the right to reject any and all bids. Seller reserves the right to withdraw the Premises from sale, and/or to adjourn the sale to a future date or dates.
- EMINENT DOMAIN AND EASEMENTS: Seller represents that there are no pending and unsettled eminent domain proceedings, no appropriations by the filing of the State Highway plans in the Recorder's Office, and orders that have not been complied with from any governmental authority to do work or correct conditions affecting the Premises of which Seller has knowledge; that no part of the Premises, except any part within utility reserve strips in developments or within legal limits of highways, is, or at settlement will be, subject to any easement for underground electric or telephone cable or sewer, gas, or water pipe serving other than this Premises, any petroleum products pipeline or public storm sewer, or any other easement, except such easements as may appear of record, such easements as may be disclosed by a reasonable inspection of the Premises, or which are noted in these Conditions. Any proceeding for condemnation or by eminent domain instituted against the Premises after the date hereof shall in no way affect Purchaser's obligation to purchase the Premises: provided that Purchaser shall receive credit for any proceeds, consideration, damages, or sums paid by any condemning authority as a result of such action if the same is paid prior to settlement. In the event that any such proceeds, consideration, damages, or sums are paid after the Settlement Date, Purchaser shall be entitled to receive the same. Seller shall be under no obligation to defend against or appear in any such action, provided that Seller provides Purchaser with notice of the institution of such action no later than 15 days after Sellers' receipt of notice thereof, and, in such event, Seller shall cooperate in Purchaser's defense of or appearance in such action, at Purchaser's expense.
- 10. <u>CONDITION OF PREMISES AND FIXTURES</u>: At settlement, the Premises and all its appurtenances and fixtures shall be in substantially the same condition as at present, except for the following: ordinary reasonable wear and tear; damages of any kind for which full or partial recovery may be had under Seller's or Purchaser's insurance; damages of any kind occurring after possession of the Premises has been given to Purchaser; damages arising from any condition of the Premises existing on the Public Sale Date; and/or, damages of any kind arising from any taking of the Premises by eminent domain.

Seller's Disclosure Statement attached hereto notwithstanding, by execution of Purchaser's Agreement, Purchaser acknowledges that he has had a full and complete opportunity to inspect the Premises. The Premises is being sold unto Purchaser "AS IS", with no representation, guarantee or warranty regarding the condition of the Premises or any improvement or structure erected on the Premises, including, but not limited to, its structural integrity, roof, appliances, electrical system, heating system, plumbing, water system, sewage disposal system, or any portion thereof. The Lead-Based Paint Disclosure attached hereto notwithstanding, no representation is made or warranty given regarding the presence or absence of any hazardous or toxic substances, materials or wastes, or that the Premises is in compliance with any federal, state or local environmental laws or regulations.

In the event any repair or improvement to or any inspection or testing of the Premises is desired by Purchaser or by any lender proposing to provide Purchaser with financing for the purchase of the Premises, the costs of any such repair, improvement, inspection, or testing shall be payable solely by Purchaser. Seller reserves the right to refuse to permit any such repair, improvement, inspection, or testing or to impose such conditions upon any permitted repair, improvement, inspection, or testing as Seller deems appropriate, including, but not limited to, insurance coverage and indemnification and hold harmless agreements. Purchaser's Agreement shall not be conditioned upon any such repair, improvement, inspection, or testing, or upon any specific results obtained from such inspection or testing.

11. **REAL ESTATE SELLER DISCLOSURE ACT**: Purchaser acknowledges that the Real Estate Seller Disclosure Act, Act No. 84 of 1996 (68 P.S. §7301, et seq.) (herein "Seller Disclosure Act"), requires Seller of certain real estate to provide certain disclosures regarding the real estate offered for sale, on a form required by Seller Disclosure Act. Purchaser further acknowledges that Seller Disclosure Act provides for damages in the event such disclosures are not made.

Attached hereto is a Seller's Disclosure Statement. Purchaser, by the execution of Purchasers' Agreement attached to these Conditions of Sale, acknowledges that he has a full and complete opportunity to review the Disclosure Statement attached hereto, and acknowledges receipt thereof. Purchaser hereby waives any further compliance with Seller Disclosure Act by Seller. Purchaser hereby releases, remises and quitclaims unto Seller any and all claims, actions or causes of action under Seller Disclosure Act. Seller has not conducted or had conducted any inspection or examination of the Premises, or any fixtures or equipment included with the Premises, prior to the date of this sale. The Disclosure Statement shall not constitute a guaranty or warranty of the condition of the Premises, or any fixtures or equipment included with the Premises. The Disclosure Statement shall not amend or supersede the provisions of Paragraph 10 of these Conditions of Sale.

Purchaser further acknowledges that neither the attorney for Seller, nor the auctioneer, has made any specific representations regarding the condition of the Premises, and that Purchaser has not relied upon any representations or statements of the attorney for Seller or auctioneer. Purchaser releases the attorney for Seller and the auctioneer from any claims, actions or causes of action arising from or due to any defect in the Premises existing on the date of this sale.

- 12. **LEAD BASE PAINT DISCLOSURE & WAIVER OF RISK ASSESSMENT**: This notice is provided pursuant to the requirements of regulations promulgated by the United States Environmental Protection Agency (herein "EPA"), 24 C.F.R. Part 35, and 40 C.F.R. Part 745. The Disclosure required by such regulations is attached hereto and made a part hereof. By the execution of Purchasers' Agreement attached to these Conditions of Sale, Purchaser acknowledges that he has reviewed the information as set forth in the Disclosure attached hereto, and certifies that, to the best of his knowledge, the information provided therein is true and accurate. Purchaser also waives rights under the aforesaid statute to be provided with a pamphlet required by the cited regulations about the dangers of lead poisoning. The attached Disclosure contains a waiver of risk assessment. As a result of the waiver of risk assessment as set forth in the attached Disclosure, Purchaser acknowledges that the Premises is to be sold "AS IS", and shall not be subject to or contingent upon any such assessment or inspection for the presence of lead-based paint or lead-based paint hazards.
- 13. **RADON DISCLOSURE**: Radon is a radioactive gas produced naturally in the ground by the normal decay of uranium and radium. Uranium and radium are widely distributed in trace amounts in the earth's crust. Descendants of Radon gas are called Radon daughters, or Radon progeny. Several Radon daughters emit alpha radiation, which has high energy but short range. Studies indicate the result of extended exposure to high

levels of Radon gas/Radon daughters is an increased risk of lung cancer. Radon gas originates in soil and rocks. It diffuses, as does any gas, and flows along the path of least resistance to the surface of the ground, and then to the atmosphere. Being a gas, Radon can also move into any air space, such as basements, crawl spaces and permeate throughout the home. If a house has a Radon problem, it can usually be cured by increased ventilation and/or preventing Radon entry. The Environmental Protection Agency advises corrective action if the annual average exposure to Radon daughters exceeds 0.02 working levels. Further information can be secured from the Department of Environmental Resources Radon Project Office, Call 1-800-23RADON or (215) 369-3590. Purchaser acknowledges that Purchaser has the right to have the buildings inspected to determine if Radon gas and/or daughters are present. Purchaser waives this right and agrees to accept the Premises AS IS, with no certification from Seller. Purchaser releases, quit-claims, and forever discharges Seller, their heirs and assigns, from any and all claims, losses, or demands, including personal injuries, and all of the consequences thereof, whether now known or not, which may arise from the presence of Radon in any building on the Premises. Seller has no knowledge concerning the presence or absence of Radon.

- 20NING: The parties acknowledge that no representation whatsoever is made concerning zoning of the Premises, or the uses of the Premises that may be permitted under local ordinances, and that Purchaser has satisfied himself that the zoning of the Premises is satisfactory for his contemplated use thereof. Purchaser hereby waives any applicable requirement for Seller to provide a certification of zoning classification prior to settlement pursuant to Disclosure Act of July 27, 1955, P.L. 288, §3, as amended and reenacted (21 P.S. §613). If Purchaser's intended use requires any federal, state, or local permits or inspections, including, but not limited to, use or occupancy permits, Purchaser is responsible for obtaining such permits or inspections at Purchaser's expense.
- 15. <u>INCLUSIONS WITH PREMISES</u>: Included in this sale are all buildings, improvements, rights, privileges, and appurtenances to the Premises, including if any, but not limited to:
 - (a) Any water softening system;
 - (b) Any central air conditioning fixtures and systems;
 - (c) Radio and television aerials, masts, and mast and rotor equipment;
 - (d) Any gas, electric, heating, plumbing, lighting, or water fixtures and systems;
 - (e) Storm doors and windows, screen doors and fitted window screens;
 - (f) Any roller or Venetian blinds, curtain and drapery rods and hardware;
 - (g) Range;
 - (h) Dishwasher;
 - (i) Washer and Dryer
- (j) Any laundry tubs, radiator covers, cabinets, awnings, or any other articles permanently affixed to the Premises, except as herein set forth.

No items of personal property are included in the sale of the Premises unless otherwise specifically set forth herein. Nothing in Sellers' Disclosure Statement attached hereto, setting forth the condition of any items of household goods, shall be interpreted as representing that the same shall be included in the sale of the Premises, unless such items are specifically listed in this Paragraph.

16. **EXCLUSIONS FROM PREMISES**: The following items are expressly excluded from the sale and will be removed from the Premises by Seller prior to settlement, the Premises to be restored to reasonable condition by Seller prior to settlement:

- 17. <u>1031 EXCHANGE</u>: If Seller desires to effectuate a 1031 tax deferred exchange, Purchaser agrees to cooperate with Seller and sign all necessary documents to do so provided that it does not pose any additional risk or expense to Purchaser.
- 18. <u>USE AND OCCUPANCY.</u> Purchaser is responsible to obtain and pay for the costs of any desired or required use and occupancy permit and any inspections or certifications required by a governing authority to occupy or settle on the Premises.
- 19. **FIRE INSURANCE**: Seller will continue in force the present insurance coverage upon the Premises until delivery of deed or possession to Purchaser, whichever event shall first occur, and, in case of loss, will credit on account of the purchase price at settlement any insurance collected or collectible either by Seller, or any mortgagee, or other loss payee thereof. Purchaser should inquire after the Premises is struck off concerning the amount of such insurance.
- 20. **PURCHASERS' DEFAULT**: In case of noncompliance by Purchaser with any term of these Conditions, Seller has the option, in addition to all other remedies provided by law or at equity, to exercise any one or more of the following remedies:
 - (a) To retain Purchaser's down money as liquidated damages, regardless of whether or not, or on what terms, the Premises is retained or resold; or
 - (b) To resell the Premises, at public or private sale, with or without notice to Purchaser, and hold Purchaser liable for the actual loss resulting from such resale, including attorneys' fees and costs incurred by Seller as a result of Purchaser's default. Seller may retain the down money paid hereunder as security for payment of such loss.
- 21. <u>SUMMARY OF CONDITIONS</u>: Purchaser acknowledged that these Conditions of Sale were available for inspection by Purchaser prior to the commencement of bidding and sale of the Premises, that Purchaser had an opportunity to review the full Conditions of Sale, and that Purchaser understands the contents thereof and all terms and conditions under which the Premises is being sold, agreeing to be bound by the full terms and conditions as set forth therein. Purchaser acknowledges that only a summary of the Conditions of Sale was read prior to commencement of bidding on the Premises, and that Purchaser is not relying upon the public reading of the Conditions of Sale as a complete statement of the terms and conditions for sale of the Premises.
- 22. **PARTIES BOUND**: These Conditions of Sale and Purchaser's Agreement made hereunder shall be binding upon the parties hereto and their respective heirs, successors, personal representatives and assigns.
- 23. <u>CONSTRUCTION</u>: All references to the highest bidder, Purchaser or Purchaser contained herein shall be deemed to refer to all Purchasers, jointly and severally, whether referred to in the singular or plural, or masculine or female, form.
- 24. <u>ASSIGNMENT</u>: Purchaser may not assign these Conditions of Sale, in whole or in part, without first obtaining the written approval of Seller.
- 25. <u>INTENT</u>: This Agreement represents the whole Agreement between the parties, and any representations concerning the Premises, or otherwise, made prior to the execution of Purchaser's Agreement, are hereby superseded by this Agreement.

- 26. <u>AMENDMENT</u>: No modification of these Conditions of Sale shall be valid unless made in writing, executed with the same degree of formality as these Conditions of Sale and Purchaser's Agreement attached hereto.
- 27. **EFFECT OF WAIVER OR CONSENT:** A consent or waiver by Seller, express or implied, to or of any breach or default by Purchaser in the performance of these Conditions of Sale is not a consent or waiver to or of any other breach or default. Failure on the part of Seller to complain of any act of Purchaser or to declare Purchaser in default of these Conditions of Sale, irrespective of how long that failure continues, does not constitute a waiver by Seller of Seller's rights with respect to that default until the applicable statute-of-limitations period has run.
- 28. **SEVERABILITY**: If any provision of these Conditions of Sale or the application thereof to any person, entity or circumstance is held invalid or unenforceable to any extent, the remainder of these Conditions of Sale and the application of that provision to other persons, entities or circumstances are not affected thereby. In such event, the invalid or unenforceable provision will be enforced to the greatest extent permitted by law.

IN WITNESS WHEREOF, Seller has executed these Conditions of Sale, intending to be legally bound hereby, on the day and year first above written.

INFORMATION REGARDING THE REAL ESTATE SELLER DISCLOSURE LAW

Generally speaking, the Real Estate Seller Disclosure Law (68 P.S. §7301 et seq.) requires that before an agreement of sale is signed, the seller in a residential real estate transfer must make certain disclosures regarding the property to potential buyers in a form defined by the law. A residential real estate transfer is defined as a sale, exchange, installment sales contract, lease with an option to buy, grant or other transfer of an interest in real property where NOT LESS THAN ONE AND NOT MORE THAN KOUR RESIDENTIAL DWELLING UNITS are involved. The Law defines a number of exceptions where the disclosures do not have to be made:

- 1. Transfers that are the result of a court order.
- Transfers to a mortgage lender that result from a buyer's default and subsequent foreclosure sales that result from default. 2.
- Transfers from a co-owner to one or more other co-owners.
- Transfers made to a spouse or direct descendant.
- Transfers between spouses that result from divorce, legal separation, or property settlement.
- Transfers by a corporation, partnership or other association to its shareholders, partners or other equity owners as part of a plan of liquidation.
- 7. Transfer of a property to be demolished or converted to non-residential use.
- Transfer of unimproved real property.
- Transfers by a fiduciary during the administration of a decedent estate, guardianship, conservatorship or trust.
- 10. Transfers of new construction that has never been occupied when:
 - a. The buyer has received a one-year warranty covering the construction;
 - b. The building has been inspected for compliance with the applicable building code or, if none, a nationally recognized model building code; and
 - c. A certificate of occupancy or a certificate of code compliance has been issued for the dwelling.

In addition to these exceptions, disclosures for condominiums and cooperatives are limited to the seller's particular unit(s). Disclosures regarding common areas or facilities are not required, as those elements are already addressed in the laws that govern the resale of condominium and cooperative interests.

While the Law requires certain disclosures, this statement includes disclosures beyond the basic requirements of the Law in an effort to assist sellers in complying with seller disclosure requirements and to assist buyers in evaluating the property being considered. Sellers who wish to see or use the basic disclosure form can find the form on the Web site of the Pennsylvania State Real Estate Commission.

This Statement discloses Seller's knowledge of the condition of the property as of the date signed by Seller and is not a substitute for any inspections or warranties that Buyer may wish to obtain. This Statement is not a warranty of any kind by Seller or a warranty or representation by any listing real estate broker, any selling real estate broker, or their licensees. Buyer is encouraged to address concerns about the condition of the property that may not be included in this Statement. This Statement does not relieve Seller of the obligation to disclose a material defect that may not be addressed on this form.

A material defect is a problem with a residential real property or any portion of it that would have a significant adverse impact on the value of the property or that involves an unreasonable risk to people on the property. The fact that a structural element, system or subsytem is at or beyond the end of the normal useful life of such a structural element, system or subsystem is not by itself a material defect.

Check yes, no, unknown (unk) or not applicable (N/A) for each question. Be sure to check N/A when a question does not apply to the property. Check unknown when the question does apply to the property but you are not sure of the answer.

Note to Buyer: The PA Construction Code Act, 35 P.S. §7210 et seq. (effective 2004), and local codes establish standards for building and altering properties. Buyers should check with the municipality to determine if permits and/or approvals were necessary for disclosed work and if so, whether they were obtained. Where required permits were not obtained, the municipality might require the current owner to upgrade or remove changed made by the prior owners. Buyers can have the property inspected by an expert in codes compliance to determine if issues exist. Expanded title insurance policies may be available for Buyers to cover the risk of work done to the property by previous owners without a permit or approval. Note to Buyer: According to the PA Stormwater Management Act, each municipality must enact a Storm Water Management Plan for drainage control and flood reduction. The municipality where the property is located may impose restrictions on impervious or semi-pervious surfaces added to the property. Buyers should contact the local office charged with overseeing the Stormwater Management Plan to determine

| | if the prior addition of impervious or semi-pervious areas, such as walkways, decks, and swimming pools, might affect your ability to make future changes. |
