Property ID #: 12-4-20

Mr. Morton,

Having inspected the property on August 30, 2023, I am retracting any Condemnation Notices issued by our agency, or the previous inspector. The inspection found that the unhealthy conditions of the property have been removed. Please be aware that although the Condemnation Notices have been removed, the structures themselves remain in a condition that are not suitable for habitation. Any alterations to correct this condition will require the proper permits.

Sincerely,
