FOR IMMEDIATE RELEASE

MEAT SALE TO BENEFIT PENN STATE HERSHEY NICU

(WRIGHTSVILLE, PA) – Four York County businesses – Wag’s Brothers Meats LLC, Saubel’s Markets, Rehmeyer’s Smoking & Grilling, and Andy Grothe Auctioneer LLC – teamed up to purchase a steer shown by Dalton Brown at the York County 4H Junior Livestock Show & Auction in July.

A public auction of the meat and a pit beef sandwich sale is being held on Friday, October 11. Wag’s Brother’s Meats LLC has donated the processing of the beef. Rehmeyer’s Smoking & Grilling will be smoking the top round and selling pit beef sandwiches. All of the proceeds from the meat auction and sandwich sales will be donated to Penn State Hershey NICU in honor of Dalton Brown.

Dalton was born with health issues that required treatment and several stays in the NICU at Penn State Hershey Medical Center. He is now a student in college majoring in animal science.

“We are very grateful for the excellent care that Dalton received during his stays in the NICU. It is our honor to make this donation in his name,” stated Dalton’s parents, Bobby and Michele.

Andy Grothe, Andy Grothe Auctioneer LLC, commented: “Partnering with these local businesses is an opportunity for us to give back to the community that supports our small businesses. We are delighted to be able to support the good work at Penn State Hershey NICU in Dalton’s name.”

A public auction of groceries, produce, baked goods and more begins at 5:30 p.m. at the New Park Auction Center, 501 Marsteller Road, New Park PA. The Meat Sale will begin at 6 p.m.
